COVERING THE GRIESBACH AND NAMAQ AREAS — CIRCULATION 2500

DECEMBER, 1965

GETS POP'S PARA WINGS

When 2nd Lieut. Douglas Arril, 22, right, qualified as a Canadian Army paratrooper, the wings he won not only were pinned on by his father, Major Kenneth J. Arril, 47, but they were the same ones dad wore when he jumped into Normandy in 1944 with the 1st Canadian Parachute Battalion shortly after D-Day. And to make sure he earned them, "old soldier" Arril made the last qualifying jump with his son from the same aircraft at the Canadian Joint Air Training Center at Rivers, Man. Both are officers of the PPCLI, the regiment the Major joined 27 years ago as a private. Major Arril serves in Winnipeg, and his son in Edmonton.

HIGH FLYING PADRES

Padre, pilot or paratrooper, these two Canadian Forces chaplains can deliver. The pilot is Squadron Leader John W. MacGillivray, left, Antigonish N. S., senior Roman Catholic chaplain at RCAF Station, Winnipeg. His classmate from seminary days in Halifax is Major John H. MacGregor, MBE, CD, Donkin, N. S., the army's senior Roman Catholic chaplain in Manitoba, who is a paratrooper and former Second World War infantry sergeant. Both have just taken up new duties with the army and RCAF in Winnipeg.

THE GRIESBACH BUGLE

Published monthly at Griesbach, Alberta, at first of each month under authority invested in the Griesbach Council.

Printed by the Alberta Printing Co., Edmonton, Alberta

Editor-in-Chief — Maj.-Gen. J. M. Rockingham,

Editorial

WO1 Bert Quaintance, our editor of the Bugle Monthly Recipes is becoming famous. His article on "cooking under the hood of your car", republished in the Bugle again last summer, was picked up by the Canadian Press and in October of this year was published in the BOSTON GLOBE, USA, by their food editor, and in Popular Mechanics Magazine. Congratulations, Bert!

The Griesbach Association is still looking for volunteers for various jobs. The most important position to be filled, however, is for members of the "Adult Advisory Committee for the Griesbach Young People's Association." The Teens have all kinds of steam — but need direction and assistance. Volunteers, male and/or female, are requested to contact Major McCannel at 479-8411, Local 257.

NEW NATIONAL DEFENCE HEADQUARTERS

Consulting architects for the new National Defence Headquarters complex in Ottawa have arranged for the active collaboration of Sir Hugh Casson, an outstanding architect from London, England.

Sir Hugh will assist Marani, Rounthwaite and Dick in developing an architectural concept of high quality in the defence headquarters scheduled for completion by 1972 on the LeBreton Flats. This area lies directly west of the new National Library on Wellington Street in Ottawa.

The development of the area in which the new headquarters will be built is a joint undertaking by the National Capital Commission, the Department of Public Works, and the Department of National Defence. The new building complex will provide the most modern and effective working conditions for all military and civilian members of National Defence Headquarters.

Christmas and New Year's issue of the Bugle will be delivered on 20th December, 1965.

SEA CADET NEWS

Looking for a life at sea? Then take a look at some of the cruises that the Sea Cadets of Alberta attended, by serving Her Majesty's Canadian Ships during 1965.

Far East Cruise — HMCS SASKATCHEWAN — 22 February — 13 May, 1965.

A total of six Alberta Sea Cadets served in HMCS SASKATCHEWAN during this Cruise and visited such places as Pearl Harbour, Midway Island, Guam, Hong Kong, two ports in Japan and Alaska.

European Cruise — HMCS SWANSEA — 3 May — 4 July, 1965.

One Cadet served in HMCS SWANSEA which visited the United Kingdom and the Netherlands.

U.S.N. Cruise — U.S.S. LEXINGTON — 4 July — 21 July, 1965.

Two Cadets served in U.S.S. LEXINGTON out of Pensacola, Florida.

Southern California Cruise — HMCS ST. CROIX — 19 July — 6 August, 1965.

One Cadet served in HMCS ST. CROIX and visited such places as Long Beach and Santa Barbara during this cruise.

Esquimalt to Halifax Cruise — HMCS SAGUENAY — 29 July — 20 August, 1965.

One Alberta Cadet was fortunate to make the west to east cruise in HMCS SAGUENAY with a number of stops for shore leave enroute.

Southern California Cruise — HMCS ST. CROIX — 13 Sept — 4 October, 1965.

Eight Cadets took part in a training cruise to Southern California waters in HMCS ST. CROIX.

Two Edmonton Cadets and one Cadet from Calgary are currently enjoying the warm weather in "MARGANGE" which sailed from Esquimalt, B.C., on 12 November, arriving in Halifax on 15 December.

Your local unit "R.C.S.C. "WARRIOR" is located at Ortona Armouries, 9722 - 102nd Street, Edmonton, and parades each Wednesday night at 1930 hrs. Further information regarding enlisting in the Royal Canadian Sea Cadets is obtainable at the Corps or by phoning 424-7251 during the day or 422-8811 on parade nights.

The Griesbach Council announced that prizes will be awarded for the best decorated homes within Griesbach which express the Yuletide spirit. The breakdown-down of prizes is given below:

CATEGORY A

All Class 3 houses: 1st prize — \$5; 2nd prize — \$3.

CATEGORY B

All Class 2 houses: 1st prize — \$5; 2nd prize — \$3; two honourable mentions of \$2 each.

CATEGORY C

All Class 1 houses: 1st prize — \$5; 2nd prize — \$3; six honourable mentions of \$2 each.

CATEGORY D

All Class 1 Row Housing: 1st prize — \$5; 2nd prize \$3; six honourable mentions of \$2 each.

A committee has been appointed who will be responsible for the judging.

Expensive decorations will not necessarily win. Judging will be based on originality and overall Yuletide effect. The committee will judge the houses between December 21 and 24. Results of the competition will be announced in the Bugle. Winners will receive their prizes before January 15th, 1966.

Santa's Coming

to the

Griesbach Fire Hall

To take his yearly Fire Prevention Course

Santa would like all children to come and see him between 10:00 a.m. and 5:00 p.m.

Saturday, December 18

All children must be accompanied by an adult or older child.

The Griesbach Association

A meeting of representatives of the various activities in Griesbach was held to obtain information as to the activities and times of their operation. The time table that resulted from this meeting is shown below. All personnel are asked to retain these schedules for their use throughout the winter period.

It will be noted that many activities are provided for all age groups, but again assistance is required, particularly from parents, to assist with the operation. e. g. Scout and Guide leaders need assistance. Previous experience is not essential.

The Council agreed to the awarding of a \$25.00 scholarship each to the top six graduates of the ninth grade who obtained a first class general standing.

TEENAGE

MONDAY — No. 1 School Gym — 1800-1930 — 6 Pack Brownies.
No. 1 School Staff Room — 2030-2300 — Rangers (except 3rd Monday)

Curling — 1300-1530, Officers' Mixed League.
Tennis — PPCLI Drill Hall — 1800-2200, Adult.

Nuts and Bolts

This should be a good month from the standpoint of people not being posted in the immediate future. This situation does make for easier planning in regard to Winter Functions, from the Social Aspect. A new Workshop Entertainment Committee has recently been formed, with the probability of a good season's work in store for it.

First of all, we do take time to wish Mr. E. Shanley, our Tool Crib man, a speedy recovery for the sore back he's had for the last few weeks. In spite of it all, he can still manage a smile plus the job at hand.

Another member of the gang still on the recuperation roll is Cpl. W. G. Carey, with his left wrist in a cast. However, something of this nature is usually very slow in healing, besides being a nuisance. We do wish him a speedy recovery.

Curling and Volleyball are the sports which have been picking up in momentum recently. According to a list which had been posted a short time ago, some of the fellows are striving to bring back the trophies we had been missing out on for some time. The Workshop Volleyball Team, comprising Lt. Tomlison, WO2 Russel, S/Sgt. Hartle, Sgt. Cook, Sgt. Porter, Cpl. Wuychuk, Cfn. Hay, and Cfn. Hogg has been doing well on the courts, competitively.

On the curling side of the picture, we have S/Sgt. Hartle, Cpl. Wuychuk, and Cfn. Hay making the Tuesday circuit, while WO2 Russel, Sgt. Porter, and Cfn. Hogg have volunteered to play on Thursday.

We do wish the people engaged in these sports the best, as tough competition makes for more work than play.

Bowling is evidently in the organizational stage as yet, but a Workshop Bowling Team should be a final touch to help others to know of our Sports Program.

In conclusion, with participation being the highpoint of the Sports Program, perhaps in the near future Griesbach Garrison could well be the centre of Inter Unit Activity on a higher level.

PPCLI Jubilee Women's Club

The PPCLI Jubilee Women's Club will hold their general meeting on Monday, December 6th, at 2000 hours. Mrs. Florence Elgaard, from the Consumers' Association of Canada, has consented to come out and address the club. Membership in the Consumers is \$3.00 per year and may be obtained from Mr. Elgaard during the evening.

ST. JOHN'S LADIES' AUXILIARY

The ladies of St. John's Chapel Women's Auxiliary want to remind all of you to come to our Bazaar on Wednesday, December 1st, from 3:00 p.m. until 7:00 p.m. — and remember it is at a new location — in the P.T. Building. The members have been busy all November baking and sewing and knitting and pickling so that there will be a wonderful variety of things for you to buy.

This year we had a dress-up Halloween party which was very much enjoyed by everyone and we would like to thank our Programme Convener, Mrs. Bessie Williams, for thinking up so many original games. On December 14th we are looking forward to a traditional Christmas party.

The W.A. has been busy in the community this month; the members assisted at the Blood Donor Clinic on November 22nd and two members went as usual to the Cancer Clinic where they served coffee and cookies to the patients.

We would like to remind all members of the congregation of St. John's Chapel that the W.A. has Home Mission projects as well as contributing to the Mission in India. Nearer home we help two large welfare families and we are always in need of good clothing for them. Anyone who has such articles as coats, overboots and sweaters, please phone Mrs. Haley, 474-5178.

Our other Home Mission project is our monthly visit to the Hope Mission. The men we help feed are lonely and hungry and it is not for us to question the cause. Please help us feed them by sending contributions when they are asked for in the Chapel bulletin — particularly we ask your help at Christmas time.

Our Lady of Fatima Chapel

C. W. A. NEWS

Submitted by Mrs. Denise Blake

Our monthly meeting was held at the Chaplain's residence on November 2nd. Our president, Mrs. Joann Van der Linden, advised that there was no unfinished business from previous meetings and under new business it was agreed upon that we will sponsor a Card Party on November 28th. Since this Card Party will be history by the time you read this, it is sufficient to explain that the purpose in holding it, is social as opposed to financial. We are of common opinion that there should be more social functions within our parish. Let's face it, in this modern world one has to compete. Mrs. Eunice Fortier is in charge of arrangements.

Mrs. Adrienne Seguin, our Marian Centre representative, reported that the Centre is sponsoring monthly Bingos in order to assist their building fund. These bingos are held at the Knights of Columbus Hall, 10121 120 St., every 4th consecutive Monday. That makes the next one on December 13th. This is

a real opportunity to assist in a worthwhile cause and play bingo to boot.

Thinking about Christmas shopping? About those little gifts that are so hard to find? You know the one and two dollar ones. What about a religious gift? For those who might not have thought about it, or others who might not know, we have our own little store right in the back of the church. It is run under the capable management of Mrs. Eunice Fortier, who obtains all her articles from the General Catholic Supply store on a consignment basis, thereby ensuring that she always has an attractive variety of gifts on hand. Her supply of religious Christmas cards is as good as any in the city. Drop in and have a look, you will be pleasantly surprised. You may buy your 1966 church calendar at the same time.

Next C.W.A. meeting on the first Tuesday of December. See you then.

MORE WIVES TAKE JOBS

Labor-saving devices in Norway have helped 40,000 more married women take jobs in industry than was the case in 1950.

By Betty Hunter

There are almost as many theories about the origin of the many traditions of Christmas as there are books on the subject. The Christmas tree as an important decoration in the home comes, of course, from Germany. Martin Luther, who lived in the 16th century, is thought to have brought the first Christmas tree into his home, decorating it with lighted candles, to illustrate to his wife and children impressions he had received while walking home through the forest after singing carols with his friends. Long before the Christian era evergreens were used as an emblem of eternal life, remaining through the cold winter, symbolic of summer and life. In Celtic and Nordic lands they were thought to have powers that shielded people from evil spirits. Druid priests used the mistletoe in their rites. The Romans believed that good fortune would be theirs if they exchanged green branches with their friends. This later gave way to an exchange of gifts.

Bells are synonymous with the Christmas season. In the cities, chimes sound from cathedral towers while in the belfry of a small church a single bell spreads the same message, "Christ is born!" The first bells used on churches to call the worshippers to service were in Italy about A.D. 400; before this a man had gone around ringing a handbell.

There is little difficulty deciding pig with an apple in its days. Turkey, ham, pudding days. Turkey, ham, pies, pudding, cookies, nuts, fruit, the list is endless. It is a wonderful time to be snugly at home with the family, and if we have snow it just makes home feel more

comfortable. In Australia, under the hot blazing sun of their summer, at midday the traditional English roast, beef, Yorkshire pudding, turkey and rich Christmas pudding are consumed. The afternoon is given over to rest with occasional cups of tea and plum cake! In Central Europe, a sucking pig with an apple in its mouth is often the main meal at this holiday. In Norway, Sweden and Denmark, fish is the chief item on the Yuletide menu. In Poland and Germany too, fish is enjoyed by many families.

In 1903, Einar Holboell, a Danish postal clerk, thought of a wonderful plan to help the needy children in his country who were suffering from tuberculosis. He suggested to the post office head and to his friends that a special Christmas stamp be printed and sold to be placed on mail in addition to the regular postage. King Christian and several prominent citizens became interested in the project and in 1904 the first Christmas seals were printed and sold at the post offices in Denmark. That first season over four million stamps were sold. Sweden and Norway then adopted the plan. Jacob Riis, a Danish immigrant to the United States, received a letter from his mother in Denmark bearing the Christmas seal. He urged Americans to follow the Danish example and the first seals were sold in the United States in December, 1907. Since then all countries of the Western World have issued the seals and we would hardly consider sending our Christmas mail without the TB seals. Because of the funds raised each year by this means, tuberculosis is far from being the number one killer it was in Einar Holboell's day.

2nd Battalion Princess Patricia's Canadian Light Infantry

A current TV commercial says that "keeping the peace can be a rich and rewarding career." We of the Second Battalion know that this is certainly so and training over the past month has emphasized this point.

At the time of writing, twenty-five newly-qualified parachutists have returned from Rivers and many Senior NCOs and subalterns are learning to be APC crew commanders. Support Company weapons courses have been held regularly and general infantry training for the remainder of the Battalion has been intensified.

The immediate objective of this training will be to overcome all obstacles during the forthcoming winter exercises. Of course, a battalion that works hard can be expected to play hard too, and in...
The Officers' Mess

Two gala parties have been held within the last month. A "Cafe de Paris" night saw wandering minstrels and authentic chanteuses entertaining during a superb candlelit meal and dance.

This was followed on Halloween by a masquerade party at which newly-weds Bob and Peggy McPherson walked away with the best man and wife costume as an Indian Maharajah and princess.

Losses to the Mess include Lt. W. H. MacMillan and Lt. J. S. Kempling who have gone to 1 PPCLI. Moving to...

The Sergeants' Mess

We find the social life was even more in evidence. A formal Mess Dinner was held on October 8th to welcome Lt.-Col. L. W. Basham and RSM (WO1) P. Danyleyko. Dining-In on Friday nights, Bingo every second Saturday and 11. Certainly not by intentioned out the affairs of the last month. The future holds a "Meet the Members" night on November 19 and a "Mess Dart Turkey Shoot" on December 10 and 11. Certainly not by intention...

The Corporals' Mess

Seems to have been the quietest Mess in the Battalion. Throughout October the members held dances which were capped

by the Halloween dance at the end of the month. Cpl. Sutton left his job at the Officers' party long enough to win first prize for the best male costume (Indian Chief). Whatever the future holds in store, the Mess is not letting us know, so it must be good to be kept so well a secret.

And that's it. As the end of the year approaches, plans are being made for Christmas, the purse-strings open, the children become angels and...but that's another story to be told in our next report.

17 ROD NEWS BRIEFS

By: WO2 J. A. Erskine

After spending the first two weeks of last month on leave and then arriving back to find a notice advising the deadline for this edition as November 15, I now have a good idea what syndicated columnists go through. No wonder newspaper men rate so high as poor insurance risks!

However, after being brainwashed by TV commercials during my rest period, I came up with a revolutionary idea for a training aid for the fellow who is **man enough** to join the forces. It consists of a pamphlet containing invaluable references to certain toilet products considered to be essential for his successful climb to the rank of Field Marshal.

The publication would list such items as: **FRILL-CREAM** — a hair dressing, which when properly applied, is certain to favorably impress the drill-sergeant and also guarantees the company of the opposite sex if one becomes lost in the Sinai desert; **BRIG** — (not to be confused with "Brigadier") a deodorant, allows closer contact with comrades especially in the confined area of a tank during warfare as it allows longer periods of concealment without annoying others; **YE OLDE SPLICE** — an after shave lotion for use exclusively by the nautical forces. It acts as a shark repellent and also comes in handy when the rum ration is exhausted; **BLISTERENE** — primarily intended for use as a mouth wash but in emergency situations can be substituted as flame thrower fuel.

Hawaiian Holiday

Verella Sutley turned her job over to Joan Campo when she took off for Hawaii during November. It must have been quite a jolt to return to the icy climes of Northern Alberta after basking in the sunshine of that Pacific paradise.

COURSES

There was plenty of activity this past month as far as courses were concerned. A special Supervisor's course was held for both military and civilian employees. **Mr. E. J. Harbinson**, Controller, and his able aide, Staff Gary Wesley, conducted the course which presented the latest aspects of management and work study.

Capt. G. P. Gedge, who only recently returned from Cyprus, is presently taking a Work Measurement Course at the RCOC School and should be back in time for the festive season. **George Axani**, of the Stores Wing, also spent the first part of the month at the Centre of Learning on a Packaging Course.

Ptes. E. Godin, J. Langlois, D. Little and R. Nickerson all left on Storeman and Storeman Clerk courses at Montreal and Cobourg.

RAFAH BOUND

Sgt. Ralph Reeves, that ball of fire from the Tech Assistance Group, left for the Middle East on November 18. Word has leaked out that Banff Cadet Camp will never be the same with the Go Go Guy gone. Per-

haps he'll scare some life into the sluggish inhabitants of the Gaza Strip! The TAG office will no doubt seem like a tomb with the affable guy away.

* * *

Sgt. Gus Thuillier has completed his tour in Cyprus and appears to be ready to get back to the depot routine. **Sgt. Vern Webb** must hold the record for extra-curricular activities. Some of the ones I have heard about are: skin and skuba living, Fish and Game Club, International and Senior Swim Program, Royal Life Saving Society, and — how many more, Vern? That's enough to put many of the arm chair crew to shame!

* * *

A birth control pill for men has been developed. However, there is a snag. The pill and alcohol doesn't mix! Well, gents, what's it going to be?

Pte. R. E. Osborne has decided to try the Dental Corps for a career and transferred last month. **Pte. D. Sigouin** will be spending the winter at the Kananaskis Base Training Camp with the Biathlon Ski Team. **Steve Faryna**, formerly of TAG, is now working in the RSS since the demise of the Inspection teams.

INS AND OUTS

It's always pleasing to welcome newcomers and painful to say farewell to those leaving. Among those who left the depot last month were **Robert Brereton, J. Nayyar and Bob McClure**.

New arrivals included **Mr. J. McHarg (CR), Mrs. L. Dunbar (Work Measurement), Mrs. M. Tugby (Internal Audit) and Mr. J. Crate (Typing Pool)**.

CALGARY DUTY

Mr. Ray Smith of the Tech Assistant Group, accompanied by **L/Cpl. D. Rempel, Pte. T. Manser and Mr. J. Crate** are in Calgary to lend a helping hand in consolidating QM accounts of static units. The job was expected to keep the lads down south for quite some time.

HEADACHES?

Read somewhere lately that Canadians spend something like \$29,000,000.00 annually on aspirins, bufferins and other brain-relaxing tablets. I wonder if the Fathers of Integration were in any way responsible for the upsurge in sales?

TRAILER COURT?

Despite the presence of various types of housetrailer in the compound it is hoped that visitors will not get the impression that we are running a used car lot. It's just another service provided

Alouette II To Be Launched

Alouette II, the Defence Research Board's second 320-pound topside sounder satellite and the first in the ISIS series of joint DRB/US National Aeronautics and Space Administration spacecraft designed for ionospheric research, is scheduled for launching into orbit at the Western Test Range in California not earlier than November 23. The letters ISIS represent the joint Canadian/US program called International Satellites for Ionospheric Studies.

Accompanying the Canadian satellite on a Thor-Agena rocket provided by NASA will be the latter's 215-pound Direct Measurement Explorer-A spacecraft, designed by Goddard Space Flight Center, to make related measurements in Alouette II's vicinity. The two satellites together are called ISIS-X.

The 320-pound Alouette I, placed in orbit from the California Range on September 29, 1962, is still providing scientific data from a circular polar orbit about 625 statute miles above earth. Alouette II will repeat its predecessor's four experiments and will carry out a fifth for NASA but in an elliptical polar orbit varying from 270 to 1,620 statute miles. The increased

range of Alouette II has necessitated a substantial change in the interior components from those designed for the previous spacecraft.

It will sound or probe the top side of the ionosphere; measure galactic and solar radio noise; investigate upper atmospheric radio "signals" initiated by lightning strokes and other radio sources, and will detect energetic particles. The first three are DRB experiments, the fourth a National Research Council of Canada project and a fifth, designed by NASA and employing Langmuir probes on both satellites, will measure electron densities and temperatures near the two spacecraft. The probes will also measure the sheath or halo of positive ions occurring about Alouette II because of its unusually long 240-foot antenna.

Outwardly, Alouette II will resemble its predecessor but its sounding antenna, when extended on achieving orbit, will be almost double the length of that still operating on Alouette I. To maintain a constant rate of spin, flower-like petal spin sustainers have been fitted to both ends of Alouette II's long antenna.

The satellite was designed and built by the Defence Research

Telecommunications Establishment, of Shirley Bay, near Ottawa, with the support of Canadian industry. The RCA Victor Company of Montreal is the prime contractor and the deHavilland Aircraft Company of Toronto, the associate contractor. Canadian industry will play an increasingly important role in the design and construction of the following satellites in the ISIS program.

The DRTE satellite team and members of the industrial group left for the Western Test Range late in October to join their NASA associates in preparing for the ISIS-X launching.

Dr. A. H. Zimmerman, Chairman of the Defence Research Board, will attend the launching at the California range along with senior NASA officials. He will be accompanied by a small group representing government and industry.

3,000 ANSWER SUECTACLE APPEAL

Princes Risborough, England (CP) Rev. Hugh Jones was swamed with spectacles after a recent appeal in his parish magazine. He asked his Buckingham parishioners for their discarded spectacles to send to medical missionaries abroad. He expected a few dozen: 3,000 arrived.

Chalk Talk

by Brian Davis

A CO-OPERATIVE EFFORT

I am very gratified to have individual teachers and, this month, students as well, contribute items to this column. Such co-operative efforts help to make "Chalk Talk" more representative in the endeavor to report on the activities of our schools. The writer would welcome reports of sports news, perhaps, for example, from the sports representatives of the Students' House Council. Reports of Red Cross activities by a student representative are always welcome, as are any other items of general interest affecting the school lives of our students. Deadline for news is about the twelfth of each month.

HALLOWE'EN at SCHOOL No. 2

No one would have doubted the existence of the supernatural if he had ventured near this haunted establishment on Friday afternoon, October 29. From the daintiest of the fairy princesses to the most shocking of the monsters from horror land they appeared. Even those, whom one would expect to be serious-minded pedagogues, suddenly appeared in complete transformation from another land or planet. From room to room they danced, pranced, or prowled. First, the tiny ones — ghosts, goblins, fairies, tramps and gypsies, all frightening to behold! Then, progressively, they seemed to grow larger and more fantastic as the procession advanced from grade to grade. Our principal, Mr. Majakey, went from room to room taking pictures to keep some record of this delightful and eventful day in the life of the school. In each classroom the best boy and girl costumes were chosen and photographed. In such a large group it would be impossible to list all the winners, but here are a few: From Room 149 — Allan Johnston as a tramp; Judy Reeves as a witch; and from Room 150 — Gerald White as a pirate, and Anne Hare as a nurse.

Following the parade, the weird creatures returned to their home rooms for food and games. All in all, it was a good day, an exciting day. Though now it is but a pleasant memory, we feel it was a really worthwhile experience. We wish to thank those patient, imaginative, creative minds who made this day so memorable for their little ones. Mothers, thank you.

— Contributed by Mrs. McLean, Grade 4.

SALE OF POPPIES

Mr. Ulmer, Principal of School No. 1, reported a complete sell-out of poppies contributed to his school. Mrs. Uszy and her Grade Four class from No. 2 School were happy to sell poppies and make poppy sales charts. Three students who presented Remembrance Day speeches in other classrooms were: Marian Van Gijn, Patsy Coyes, and Carl Hendrie.

Remembrance Day Services

Two separate assemblies observed Remembrance Day services at School No. 2 — one for the smaller children of Grades 1, 2, and 3 and one for the older children of Grades 4-6. A student from each group recorded his impressions.

Grades 1-3 service at 10:30 a.m.

On November 10, Grades 1, 2, and 3 and their teachers went to the Gymnasium to have a short program to honor the brave soldiers who fought in two main wars for our country and our freedom. Some of the soldiers are dead and some are alive. The soldiers who are still alive are the ones who make the poppies. Padre Clark told us about how the soldiers fought in two wars. The program ended with "Lest We Forget", and "God Save the Queen".

— Grade 3 Reporter
Susan Morey

Grades 4-6 Service

The Remembrance Day ceremony was held at Griesbach School No. 2 Auditorium. It started at 11:12 a.m. and was attended by Grades 4-6.

We started with "O Canada" and were accompanied on the piano by Miss Gazdarica throughout the ceremony. Andrew Tucker (Grade 5) read the poem "In Flanders Fields," written by John McCrae, in remembrance of the many soldiers who died in World War 1. Sandra Beck (Grade 6) then read "Why Wear a Poppy?" Everybody rose and sang "O God Our Help in Ages Past." The guest speaker, Padre Mercer, said a few words about the meaning and sorrow of war and what it means to be free. Padre Clarke also attended the ceremony.

Padre Mercer's talk was followed by "The Last Post," two minutes silence and Reveille. The second and last hymn, "Lest We Forget," was then sung. The program ended at 11:39 a.m.

— Grade 6 Reporter
Dorothy Descheneau

Parent-Teacher Interviews

Parent-Teacher interviews were held at both schools during the week of November 1-5. No. 1

School reported that several rooms had 100% co-operation, and all the teachers in both schools were very glad to be able to meet with the parents and hold discussions regarding each individual's rate of progress. At No. 2 School, Miss Kalloo's Grade 1 class was the only one with a 100% attendance. Parent attendance at this school was as follows:

Grade	Attended	Did Not Attend
Kindergarten	74	17
1	84	14
2	62	8
3	64	8
4	69	14
5	51	8
6	62	3
	466	72
Per cent attendance — 87.5%.		

Student-Attendance Achievements

At No. 2 School, the room having the highest percentage attendance for October was Miss McCallum's Grade 3 class with an average of 98.67%. Other rooms with high percentage attendance were Kindergarten, and Grades 1 and 6.

REPORT CARDS

Our principals advise that Report Cards will be issued on Wednesday, December 1st. This is rather later than formerly, but the three months of schooling should indicate to parents just what degree of progress has been achieved by their children. Some students will deserve commendation for studious effort. Some may be "coasting along", while others, having ability but not applying themselves, will have to make a supreme effort during the next long term.

WELCOME BACK

We hear via the grape vine that Fred McLellan is back home again, convalescing. We hope you are making good progress, Fred, and will be glad to see you in our classrooms again, either before, or by the time The Bugle goes to press.

Bugle Monthly Recepies

By WO 1 B. Quaintance

CORN BREAD

- | | |
|--------------------------------|------------------------|
| 1 egg | 2 tbsp sugar |
| 1 cup plus 2 tbsp milk | 3 tsp baking powder |
| ¼ cup sifted all-purpose flour | 1 tsp salt |
| 1 ¼ cups corn meal | 3 tbsp bacon drippings |

Heat oven to 450 degrees. Grease generously a 9 x 9 x 2-inch square cake pan. Heat pan in oven while mixing batter. Beat egg in bowl. Add remaining ingredients and beat with rotary beater. Just until smooth. Pour into hot pan and bake 20 to 25 minutes or until set.

APPLE-RAISIN CHUTNEY

(Makes 4 Pts)

- | | |
|-------------------|----------------------|
| 4 lbs apples | 2 tbsp ground ginger |
| 2 lbs raisins | 1 tbsp salt |
| 2 lbs brown sugar | 1 tbsp mustard seed |
| 6 cups vinegar | ¼ tsp cayenne |

Peel, core and chop apples. Put raisins through fine blade of food chopper. Combine with remaining ingredients in large kettle. Blend well and bring to full boil. Turn down heat and boil slowly until thick. Pour into sterilized jars and seal immediately.

MOLASSES CRISPS

(Makes 8 Dozen)

- | | |
|------------------|----------------|
| 1 cup molasses | 1 tsp. salt |
| 1 cup shortening | 1 tsp soda |
| 1 tsp cinnamon | 2 ½ cups flour |
| 1 tsp ginger | sugar |

Heat oven to 375 degrees. Put molasses in saucepan and boil 2 minutes. Remove from heat. Add shortening, spices and salt, stir until shortening is melted, then cool.

Add soda and beat well. Beat in flour. Shape into 2 rolls about 1 ½ inches in diameter. Wrap in waxed paper and chill several hours overnight. Slice as thin as possible and put on lightly-greased cookie sheets. Sprinkle with sugar. Bake 5 to 7 minutes. Cool slightly before removing from pan.

CHICKEN AND VEGETABLE SALAD

(Serves 4)

- | | |
|-----------------------------------|-----------------------|
| 2 cups thin strips cooked chicken | ½ tsp curry powder |
| ½ cup cooked peas | ½ tsp salt |
| ½ cup grated raw carrot | Dash pepper |
| ½ cup diced celery | ¼ cup French dressing |
| ½ cup chopped sweet pickles | Salad dressing |
| | Lettuce |

Combine chicken, peas, carrots, celery, pickles, curry powder, salt and pepper lightly with a fork. Pour French dressing over and chill 2 hours, stirring occasionally with a fork. Mix with a little salad dressing at serving time and serve in lettuce cups topped with more salad dressing.

All a-glitter and a-glow with Christmas sparkle, Woodward's Wonderful Toyland where young and old will delight in the wide selection of toys, hobbycrafts, games and dolls. Visit Santa commencing November 27th... have your children's pictures taken with this jolly old man for Christmas gifts; cost is modest.

Deadline Dates for Overseas Christmas Mailings

With the Christmas period approaching, the Canada Post Office urges the public not to delay posting parcels to friends and relatives overseas. The public is cautioned to mail as early as possible. Last minute postings, if general, might render it impossible for the Post Office to find sufficient accommodation on the last steamers leaving in time to ensure Christmas delivery.

PPCLI Depot News

Did you hear about the one that got away? See Cpl. Bill Greeley PPCLI Depot for detailed information.

North West Europe platoon commenced training on October 25 with 2Lt. Doug Arril, Sgt. Jim Edinborough, Cpls. Russ Leveque, Bob Lowry, Ray Herrington and Wayne Riley at the helm.

Korea platoon commenced training on November 22 with Sgt. Doc Miles, Cpls. Bill Greeley, Jerry Blume and Al Thomas in charge.

Sgt. Pete Beka joined the Depot from 2 PPCLI. Hope the oil problem you were having with your car is all cured.

Cpl. Jim King finally got away from the Depot by taking the methods of Instruction Course. Me thinks C Pro C had something to do with the course selection in order to win a volleyball game.

Cpl. Vince Pelletier is in Borden on the First Aid Instructor Course. Hope they have replaced those dummies with the real thing for mouth to mouth resuscitation.

Still no word from Capt. Doug Yuill in regard to our sea gulls. Guess he figures if he waits long enough the problem will fly away.

A reminder to other units: We are doing our fair share for the Griesbach Little League Hockey. How about you?

News from Ex "Paper Quips"

by Sgt. Hal Nordin in Winnipeg

I just got to thinking that my friends in Edmonton just may like to know what happened to the writer of the defunct column "Paper Quips from Area A".

End of June, I left for my present location and tackled my new duties as clerk in Manarea Records. The first thing about Fort Osborne Barracks that caught my eye was the charming old architecture, apparently early in this century it served as the campus of University of Manitoba, and believe me, my first thought was that I should don a freshman's cap and melt into the atmosphere of the place. What with shrubbery and flower beds, tyndal stone buildings wrapped in climbing ivy and all, you can readily understand how I felt. Once inside any one of these old buildings, of course, you realize without a doubt it's an army establishment — the ancient typewriters alone are a dead give-away.

I am employed deep in the basement of the main building, and even though the record staff lead an existence not unlike a

family of moles, they are a cheerful and efficient lot. Our Rec Officer you Pay Corps readers may know — Lt. Fuyarchuk who himself is a Pay Officer. And I'm sure many of you remember WO2 Fred Geres who used to wield the stick as chief clerk in the Area A Branch before leaving for a tour of Egypt — he is chief clerk in records. Fred and I are doing our darndest to learn Records work, it being new to both of us. We do have more time to devote to this task now that we have finally convinced the Manitoba driving examiners we are worthy of their coveted "operator's licence". The fact that we both failed our driving test once caused a great deal of mirth to all but we.

At time of this writing, I am recuperating from my introduction to "circuit training" and call it what you like, it's still P.T. This brand of P.T. revives the old saying, "What's this Man's Army Coming To?". The PTIs emphasize that we shouldn't overdo it — just do as many of the exercises as we feel we

should. Good heavens, I remember when, oh well.

My family and I are now firmly entrenched in a PMQ and Capt. Botting, your ex Area Pers Officer has a TMQ, so at least we're in out of the cold — and I understand it gets that way here.

My son Joe has decided to follow in his dad's footsteps and chose an army career, he was enrolled in the OCP and started his Phase I training in mid September at Camp Shilo. Now I'm wondering how I should address him after his graduation. Maybe "Son Sir" will suffice.

You PPCLI readers will remember Sgt. (PJ) Normand, he's the Garrison Sergeant Major's right hand man here at FOB. He sends his greetings to all his old buddies at Hamilton Gault.

In closing, my best wishes to all my friends at Griesbach, and in particular to those at Area A Branch, to whom I'd like to say, Winnipeg is quite nice, but I guess Edmonton will always be my piece of Lemon Pie. I would like to hear from as many of my friends as possible while in exile.

In the interest of bilingualism — Adieu.

RECEIVES TROPHY

Sgt. L. M. Anderson receives the trophy for the most improved PMQ grounds for the summer of 1965. The trophy is presented to Sgt. Anderson by Maj. M. G. McCannel, Chairman of the Griesbach Association. (Canadian Forces Photo)

With winter around the corner, you may have winter clothing you wish to dispose of. It may be left at the Chapel for pickup. These articles will be greatly appreciated at the Centre.

The purpose of the union, which will have its first meeting October 27, is to plan new means of attracting visitors to Britain's stately houses, castles and gardens.

GIMP'S GRAB-BAG
By Capt. G. W. Small

With the onset of winter and freezing weather, curling and hockey have gotten off to a good start in Griesbach. At the same time, bowling has been organized for the indoor enthusiasts while the hunters continue to brave the elements in search of reward. From the Army standpoint, several team competitions have been lined up for the next few weeks.

Taking a look at the Army competitions, we find the Western Command Judo Championships will be held in Leonforte Bldg, Hamilton Gault Barracks, from December 5 to 9. PPCLI Depot is sponsoring the event. Due to lack of competitors, no Alberta Area championships will be held. Both teams or individuals can be entered in the judo meet and some competition from outside the Army is available. The meet will include time for coaching and training sessions as well as competitions. Here is an outstanding opportunity to watch a display of a fascinating, exciting sport.

In preparation for the Command Volleyball Championships in Winnipeg in December, the Alberta Area Championships will be played in the Leonforte Bldg from November 24 to 26, under the sponsorship of 2 PPCLI. This is a single round robin event, with each team playing three games against each other competing team. Local teams from Griesbach are now playing off to determine who will represent the garrison in Area finals. At time of going to press, 2 PPCLI are leading 10 SDB with 8 points to 6. 224 Wksp and PPCLI Depot are hot on the heels of the leaders, so the issue is still in doubt.

The Command Five Pin Bowling Championships will be sponsored by HQ Sask Area in mid-January, 1966, and each Headquarters or unit within Alberta Area may enter one six-man team in the Championships. The competition is conducted at home station with certified scores forwarded to the sponsoring HQ. Watch this column for results of this event.

Griesbach Hockey League

Little League hockey got off to a fair start with first practice on November 13. One hundred and five applications were received by that time, including 53 for Mites (7-10 years) and

52 for Bantams (11-14 years). At press time no application had been received for Midgets (15-16 years) although application forms have been in the Teen Centre since November 9. Looks like the older fellows lack interest in hockey. How come?

Team selection in Little League is slated for November 20 with first games of the regular schedule on November 27 at the Edmonton Gardens. Mites will play every Saturday, by playing across the ice, while Bantams should meet every second Saturday.

Coaches for the Mites include Sgts. Jim Dureen and Bud Knight, Cpls. Jack White and R. R. Gibson. At the helm for the Bantams are Sgt. Ray Popplestone, Cpl. D. P. Coyes and Ptes. Neil Gourlie and Bruce Smith. Sgt. Don Swanson is standing by to coach the Midget teams when formed. Refereeing will be done by Major A. G. MacDonald, Lt. Paul Boyer, Sgt. G. A. Debney, Cpl. Henneburg and Pte. Dee.

Despite a strong request sent to each unit, volunteers to coach and referee have been very slow in coming forward. Assistant coaches and referees are still badly needed. There must be lots of fathers who would like to watch their sons play and could at the same time lend a hand with the coaching chores. It is always easy to let the other fellow do it but the present volunteers are overworked, so how about it, Dads? Can you spare a couple of hours for your boy?

Griesbach Ladies' Curling League

The General Meeting of the League was held too late for inclusion of the report in the November issue of the Bugle but the ladies have expressed their thanks for the invitation extended in that issue for which the writer is grateful. The League is still short of curlers and interested ladies are asked to phone Lois Davidson (479-6634) or Rita Langley (474-5375) for details.

The slate of officers for the new season consists of Lois Davidson, President; Irma Carter, Vice-President; Rita Langley, Secretary; Hilda McLaren, Treasurer; Nancy Allen, Social Convener and Alice Hipson, Publicity Convener.

The season started with a clinic for beginners on October 22 and was followed by a social

gathering for all members. The first Bonspiel is planned for November 19 and 20 at the conclusion of which prizes will be awarded and refreshments served. For information of ladies participating, hours of curling are 9:15 a.m. Tuesday and 1:30 p.m. Friday.

Officers' Mixed Curling League

Major Osland, President of the League, reports that only two games have been played thus far but the gang are having a real ball. Many changes are coming due to postings on reorganization of the Forces. Major Martin has already been posted but his slot has been taken up on the rink by Major Elder and F/L Broadfoot. More news of this league is promised for the next issue.

Griesbach Curling Club

Another curling season is well underway! The Club has not yet lost too many staunch supporters on posting and good fortune has smiled with the recent arrivals of several now, promising prospects to join and enhance Club activities.

Sad but true, the Other Ranks Mixed League has gone into the Club history books. Economically it seemed reasonable to transfer to the newly-formed All Ranks Mixed League, which is sponsored by the Club. It is hoped the new League compares favorably with the old in both spirit and competition. The new League takes over the Monday night draws, starting off with 18 rinks with plans for expansion. Anyone interested in part-time or "spare" curling in this League should contact a member of the League Committee. Fees to curl as a "spare" are only \$5.00 for the season with the likelihood of a lot of curling over 18 weeks. League committees for the season are:

Executive Committee — Lt. Col. J. G. MacMurdo, President; Major E. G. Crosbie, Vice-President; Major R. Richardson, Treasurer; Capt. P. Gorrie, Secretary; Sgt. J. W. Thompson, Assistant Treasurer; Mr. H. A. Lucas, Manager.

Rules Committee — Sgt. Bud Knight; Sgt. H. H. Brown; Cpl. T. Southwood.

Men's League — Major W. Mills; S/Sgt. N. Galbraith; WO1 R. Freeman.

Recreation League — WO1 A. G. Deans; Sgt. E. Smith.

Mixed All Ranks League — WO1 R. Freeman; Sgt. G. J. Gardiner; S/Sgt. L. Henderson.

Fish and Game Association

The Griesbach Fish and Game Association is embarking on a winter season of activities which will be of interest to all outdoor sportsmen.

The Association meets monthly and the program will include guest speakers, films, indoor shooting, visits to places of interest and hunter safety courses, conducted by qualified instructors.

A reminder to the reader is that the Association is open to all members of the Department of National Defence, both military and civilian, and their families, 12 years of age or over. Children between the ages of 12 and 16 may attend the meetings if accompanied by an adult. There is no assessment for their membership. From the age of 16 an ordinary membership is held which costs \$2.50 per year.

The Association affords those who like the outdoors the opportunity to gather together and develop their mutual interests. It is a good opportunity to expose the youngsters to the ways of the wilds and to start training them in such important subjects as safe gun handling, and conservation.

We encourage all those who are not members to join the Association. For further information call WO2 McOuatt at Local 354.

Hunting

Sgt. Knight, our Managing Editor and chief advisor on field and stream activities, has little to report this month. Lots of hunting licenses have been sold but we seldom hear of results. Capt. Jim Waterton returned recently with one deer, brought down with one of four shells he took out with him. What confidence!

All huntsmen and shooting buffs will be pleased to hear that we have a fully licensed gunsmith in Griesbach, competent in custom gun work, headspacing, sight alignment — in fact, anything in the gunsmithing line. Job estimates can be obtained from Russ Russell, at 10218 - 147 Ave., PMQ 315, Phone 474-7310.

Finally, remember that you don't have to win to be a "good sport". Play hard, play fair and it is more fun — win or lose. See you all in the Christmas edition. Deadline for inclusion of material in that issue is December 3rd.

STERILIZATION OF ELEPHANTS CONSIDERED

NIROBI (Reuter) — Authorities worried about Kenya's expanding elephant population said sterilization and not shooting may be the answer.

Elephant over-population is acute in southern Kenya's Tsavo National Park, where experts say numbers will have to be cut to

Dairy Products are GOOD and GOOD for YOU

OH! TO BE A SAILOR

A sea duty allowance of \$15 per month became effective on October 1 for officers and men serving in ships of the RCN. It replaces foreign allowance and will mean a substantial gain in compensation for men since it is paid for the entire period they are assigned to ship complement. The foreign allowance was applicable only when warships were away from Canada for a continuous period of 30 days or more.

The sea duty allowance was authorized to compensate personnel to some degree for the demands that service in a warship entails. These include living conditions which suffer by comparison to those ashore and frequent extended separation of married personnel from wives and families.

TRIAL CLOSURE — RCASC SUPPLY DEPOTS

In an effort to effect economy in the Department, the RCASC Supply Depots at Camp Wainwright and RCAF Station Cold Lake have been closed down on a six months' trial basis, which commenced October 1st. At the conclusion of the trial period, statistics, together with the pros and cons gathered will be weighed and a decision reached as to whether or not these Supply Depots will be closed permanently.

In the interim, the Depot staff at Edmonton is responsible, in addition to normal chores, for ensuring the efficient provisioning of Camp Wainwright and Cold Lake.

ACCIDENT PREVENTION

THE FENCE OR THE AMBULANCE

'Twas a dangerous cliff, as they freely confessed,
Tho' to walk near its crest was so pleasant;
But over its terrible edge there had slipped
A duke and full many a peasant.
So the people said something would have to be done,
But their projects did not all tally,
Some said, "Put a fence 'round the edge of the cliff",
Some, "An ambulance down in the valley".

But the cry for the ambulance carried the day,
For it spread through the neighbouring city;
A fence may be useful or not, it is true,
But each heart was brimful of pity
For those who slipped o'er that dangerius cliff;
And the dwellers in highway and valley
Gave pound or pence, not to put up a fence,
But an ambulance down in the valley.

"For the cliff is all right if you're careful", they said,
"And if folks even slip or are dropping,
It isn't the slipping that hurts them so much
As the shock down below when they're stopping".

Then an old sage remarked, "It's a marvel to me
That people give far more attention
To repairing results than to stopping the cause,
When they'd much better aim at prevention.

"Let's stop at its source all this mischief", cried he,
"Come neighbors and friends, let us rally,
If the cliff we will fence, we might also dispense
With the ambulance down in the valley".

"Oh, he's a fanatic", the others rejoined,
"Dispense with the ambulance? Never!

He'd dispense with all charities, too, if he could;
But no! We'll protect them forever;
Aren't we picking folks up just as fast as they fall?
And shall this man dictate to us? Shall he?
Why should people of sense stop to put up a fence
While their ambulance works in the valley?"

But a sensible few who are practical too,
Will not bear with such nonsense much longer,
They believe that prevention is better than cure
And their party will soon be the stronger;
Encourage them, then, with your purse, voice and pen;
And while other philanthropists dally
They will scorn all pretense and put up a stout fence
On the cliff than hangs over the valley.

SPEED SHOULD GO DOWN WITH THE SUN!

RIDE TO THE HOUNDS

Good fortune smiled on the gang from the "MT" Section while hunting this fall, as they bagged their limit of deer and moose. Cpl. (The Rifleman) Rene Milot and his buddies L/Cpl. Porter, Cfn (Leo) Lessard and John (Sureshot) Bugnet rounded out the safari. Anyone for bridge?

Cpl. Milot also shot himself a bear and while wrapped in his sleeping bag yet. The bear wandered into their bivouac in search of food well before sun-up. Cpl. Milot is not normally easily frightened, but when you feel the hot moist breath of a four-legged mammal down the back of your neck, that's a bear of another colour.

KASHMIR DUTY

Within three days of the government decision to send Canadians to help form a new UN observer group for Kashmir, army observers and RCAF support personnel were en route to the trouble spot and new duties.

Canada also speedily reinforced the group which has supervised the ceasefire within Kashmir since 1949 by flying four army, four RCAF and two naval observers in September from Canada. They joined the nine other Canadian observers already in Kashmir.

The new UN group, which is responsible for ceasefire supervision outside Kashmir, is headed by Major-General Bruce F. Macdonald of Edmonton. He was previously a brigadier in command of the Nicosia zone of the UN in Cyprus. Twelve army officers flew from Canada in September to be observers in this new group, whose short title is UNIPOM. With them were five RCAF personnel including Group Captain George B. Murray of Calgary, who became senior air advisor.

Canada also sent two Caribou and three Otter aircraft with air and ground crews to augment the Caribou already there. The air component will support the new group, UNIPOM, as well as the old UNMOGIP.

ALBERTA'S OLDEST TREE MOVED

BLAIRMORE, Alta. (CP) — What is believed to be the province's largest and oldest tree has been cut. A crew from Blairmore cut the 98-foot Douglas Fir, believed to be 400 years old, from its roots in the Crowsnest Pass and sent it to the forestry school at Hinton, Alta., for display purposes. The veteran was in first-rate condition.

IROQUOIS TROOP NEWS

Here we are after a long sum-
mer vacation, during which time
the Scouts of A troop and Iro-
quois troop participated in a two
week summer camp at Lake
Wabamun. Eighteen Scouts ac-
companied by Scoutmasters Fred
Swan, Andy Gallagher, and Don
Brodie, took part in instruction
in Pioneering Camping, which
was climaxed by an overnight
canoe trip. In September the
two troops amalgamated into one
troop to be known as Iroquois
Troop. The Scouters and boys
held meetings, to decide how
best the interest of both boys
and Scouters could be served.
Scouters for the new Iroquois
Troop are SM Fred Swan, ASM
Art Sutton, ASM Andy Gallag-
her, ASM Don Brodie, ASM Dick
Towson. The Troop itself con-
sists of 6 Patrols of nine Scouts
each and are named after the
nations of the Iroquois League,
and are as follows:

ONONDAGA PATROL

Patrol Leader — Charlie Cruise.
Richard Berry; Gary Debney;
Jimmy Dureen; John Potts; Jack
Wright.

ONIEDA PATROL

Patrol Leader — Allan Wasney.
Robert Adams; Ken Berry;
Greg Bowen; Kirk Hutchinson;
Robert Vallance; Gary Wasney.

SENECA PATROL

Patrol Leader — Jimmy Hodge.
Roddy Copp; Tommy Gorham;
Greg Reykdall; Billy Zurawell.

TROOP HQ

Troop Leader — Bob Swan.
Jerry Simmons.

TUSCARORA PATROL

Patrol Leader — Richard Domi-
nick.
Arthur Dagg; Barry Einersson;
Derrol Green; Ken Irwin; Bradley
Simmons; Robin Stutt.

MOHAWK PATROL

Patrol Leader — Stephen Smith.
Paul Boyer; Richard Davies;
Charles Gallant; Gary Osborne;
Michael Wilson.

Second — Alan Dagg.

COYUGA PATROL

Patrol Leader — Alain Seguin.
Grant Adam; Gary Davies;
Billy Rodgers; Ronald White.

Second — Richard Harris.

The programme consists of
First Aid instruction, camping,
as well as other scouting activi-
ties in preparation for first
class, Queen's Scout and Bush-
man's Thong badges. Also a
swimming meet once monthly.
The troop took a very active
part in the UNICEF campaign
on Halowe'en which resulted in
the collection of over \$70.00,
for which the troop wishes to
extend to parents their thanks
for the support they received
for this worthy project. On the
week-end of 16th and 17th
October, members of the troop
participated in the World Scout
Jamboree of the Air. This gave
members of the Troop an oppor-
tunity to talk by radio to other
Scouts all over the world. Some
of the places contacted were Gib-
raltar, Inuvik, Churchill, France,
and the USA.

The District Commissioner Bill
Harper visited the Troop on Nov-
ember 1st, and on this occasion
presented Scouter Andy Gallag-
her with his Wood Badge, in-
deed a great honour for the
Troop. Well done, Andy. Also
Dick Towson who has been a

Cub, Scout, Queen's Scout and
Bushman's thong holder, was in-
vested as an ASM. The Troop
is indeed happy that Dick will
be with us in the future.

Now that we are organized
and registered, the Troop has
settled down to accomplishing a
lot, toward gaining new goals
by Christmas. As events occur
we will strive to keep you posted
in future editions of the Bugle,
and so may the Scouts and Scou-
ters of Iroquois Troop take this
opportunity to thank you for your
support in the past, and your
continuing support in the future.

RCAF TRAIN MALAYSIANS

The Royal Malaysian Air Force
sent 15 students to Canada in
September for 10 months of pilot
training with the RCAF. Their
initial 12 weeks of training is
at RCAF Station Centralia, Ont.,
after which they move to Mani-
toba for wings standard training
at RCAF Station Portage La
Prairie. The emphasis is on
piston engine aircraft because
the Malaysian pilots will operate
Canadian short-take-off-and-land-
ing Caribous and Otters when

they return home.

Malaysia thus joins more than
a dozen nations that have sent
students to Canada for pilot train-
ing. The RCAF currently has
students from Denmark, Tanza-
nia, Norway and Jamaica. Since
the war some 4,300 pilots from
friendly nations have been Can-
adian-trained.

Nearly 200 soldiers from Camp
Gagetown, N.B., in mid-October
went to work in the apple or-
chards of York-Sunbury and the
potato fields of Carleton-Victoria
to help New Brunswick farmers
get crops in before sudden frosts
damaged them. The frost threat
had caught harvesters desper-
ately short of pickers.

HEY, LOOK!

Recently published by the (CP)
was an article describing a mem-
ber of the last Parliament who
was seeking re-election. The site
was a nudist camp. He wore
clothes and his audience wore
expressions of attention! It was
also reported that the speaker
was quite at ease.

To All Army and R.C.A.F. Families:

A VERY MERRY CHRISTMAS!
